GOAL

Provide Leadership Wyoming Class 2018 with a framework in Trusteeship through exploration of, and greater understanding about, *The Integrated Model of Leadership* ©.

SESSION OBJECTIVES

- Create a hospitable learning environment for the personal development and professional awareness, self-knowledge, and reflection.
- Provide participants with a foundation in the concepts of *Community and State Trusteeship* that they may build upon throughout their personal, professional and volunteer experiences.
- Engage participants in an overview of past, present, and current conditions in Teton County (and the state) that will require attention by future Wyoming trustholders/leaders.
- Identify personal leadership gifts and talents through activities and assessments aimed at personal awareness and understanding.
- Build trust and enhance opportunities for development of relationships between participants which will be continued throughout the program year.
