1. INTRODUCTION

Leadership Wyoming (LW) was founded in 1999, and graduated its first class in 2001. Leadership Wyoming is a partnership program of the Wyoming Heritage Foundation (WHF) and the University of Wyoming. The fabric of LW extends throughout all corners of the State, with a total of 712 graduates since its inception. Class members form lasting bonds with each other, with other alums, and with leaders throughout all business, non-profit, and government sectors in Wyoming. This is accomplished through strong sessions led by dynamic and high-quality session facilitators.

The LW program begins in August with a one and one-half day orientation, held in Laramie on the campus of the University of Wyoming. This is followed, typically in September, with a two-day retreat in or near Jackson. Five additional sessions in various parts of the state lead to the graduation celebration held in early May. Additional information on the Leadership Wyoming program can be found at www.leadershipwyoming.org.

The LW Executive Director and Advisory Board Members wish to enter into a contract with an Independent Contractor Facilitator to include facilitating meetings, group conversations, engaging participants, as well as participating in the creation and coordination of all parts of the curriculum to ensure learning outcomes and assess metrics for programmatic success.
